

Nazism and The Rise of Hitler class 9 (Animation) _ Class 9 History Chapter 3 _ CBSE _ NCERT.mp4

To dosto aaj am padne wale class 9th history ka chapter no. 3 jiska naam hai Nazism and the rise of Hitler. To dosto chapter ke surubaat hoti hai 11 saal ke bache se jiska naam tha Helmut. Ek baar kya hota hai ki Helmut apne kamre me leta hua tha tabhi usne notice kiya ki uske mummy aur uske papa apusme baat kr rhe hain.

Helmut ke papa Helmut ki mummy se bolte hain ki ab time aa chuka hai suicide karne kya kyuki ab humare saath bhi wahi hone wala hai jaisa ki humne Jews ke saath kiya tha. To kya mujhe akele ko suicide karne chahiye ya phir hum sabko ek saath milkar suicide karne chahiye. Ye sab baate Helmut sun raha tha.

Agle din kya hota hai ki Helmut ka paribar ghoomne jaata hai aur weh acha time spend karte hai ek doosre ke saath. Us din ko woh achche se enjoy karte hain, khub masti karte hain. But agle din hi khabar aati hai ki Helmut ke father ne apne hi office mein apne aap ko goli marke suicide kar liya.

Is baat ko lekar Helmut kaafi jaza dard chuka tha. Woh itna dard chuka tha ki usne agle 9 saalu tak apne ghar pe kuch nahi khaya tha. Kyuki usko dard tha ki kahi uski mummy usko jehar dekar maar na de. Ab doston aapke dimaag me abhi kayi saare sawal uth raha hoonge ki aakhir Helmut ke papa ko aesa kya dard tha jiski wajah se unko suicide karni padi.

Aakhir aesi kya situation rahi hogi unke saamne. Agar hume ye sab jaanna hai to iske liye hume jaana hoga flashback mein. To chaliye chaltein 1914 mein. Intro 1914 mein first world war start hua.

Is war mein kahi saare deson ne bhaag liya. World war first 2 powers ke beech mein ladha gaya. Peli thi allied powers aur doosri thi central powers. Allied powers ke andar aate the England, France aur Russia. Aur Central powers ke andar aate the Germany, Austro-Hungarian Empire aur Ottoman Turkey.

Us samay mein Germany ke paas bhot power thi. Germany aur other Central powers badwaat jeet bhi jaati. Lekin 1918 mein Allied powers ko support mil jata hai USA ka. Jiski wajah se Central powers haar jaati hai. Matlab Germany ke aar ka sabse bada kaaram tha USA. Zab Germany war haar jaati hai to wahan ka jo Emperor hota hai.

Wo abdicate kar deta hai. Matlab apne pad ko chod deta hai. Ab Raza ne apna pad chod diya to Government to ban nahi thi. Kyuki bina Government ke thodi na des chalega. To Germany mein ek jagah thi jiska naam tha Weimar. Wahaan par ek National Assembly banti hai. Jisko Weimar Republic Formation bolte hai.

Aur isi ke dwara Germany ke liye Federal Structure aur Democratic Constitution banaya gaya tha. Ab jaise hi Germany ke andar Democratic Constitution bana. To Germany mein Democracy aage. Jiski wajah se log German Parliament ke andar members ko elect karne ke liye vote karne lage. Aur ye voting saare adult kar sakte the including women.

Ab aap soch raha hui ki Democracy aayi thi. To ye to achi baat thi na. But Germany ke logon ko ye pasand nahi aayi. Kyon pasand nahi aayi? Kyuki jo Weimar Republic bana tha. Matlab jo Assembly bani thi. Usne ek Peace Treaty sign ki thi. Jisko hum Treaty of Versailles bolte hai. Matlab ek samjhota hua tha Germany aur Allied Powers ke beechwe.

Jisme Germany ke upar bahusi cheejein thupi gayen thi. Impose ki gayen thi. Germany se kai sari cheejo ko cheena bhi gaya tha. Jaisi ke unse unki territories cheen liye gayen thi. Iron cheen liya gaya tha. Coal cheen liya gaya tha. Yaha tak ki unki Army bhi cheen liya gayi thi. Kyuki Allied Powers nahi chahati thi ki Germany aage kabhi war lad paaye.

In sab ki alawa Germany ko 6 billion Euro compensation dene ke liye force kiya gaya tha. Germany me ek jagah thi Rhineland jo kyuki famous thi apni resources ke liye usko bhi cheen liya gaya tha. Toh waha ke jo log the, wo Allied Powers ka toh kuch kar nahi sakti thi. Isliye wo saare toh us kisko de rahe the? Government ko de rahe the.

Ki Government kyu haath pe haath rakhe bheti hui hai? Isliye logon ko Democratic Government pe sakh bhi ho raha tha. Aur yahi wo karan tha jiski baji se logon ko Weimar Republic pasand nahi aaya. Aur nahi logon ne is Weimar Republic ko achche se adopt kiya. But kuch log the jo ki Weimar Republic ko support krte the. Onah Germany ki log November Criminal bolte the.

Kyuki ono ne hi Treaty of Versailles pe sign kiya tha. Aur ye kab kiya tha? 1918 ke November month mein. Isliye inko November Criminal bolte the. World War I ke karan logon ki upar aur poori Europe ki upar mentally aur physically bohot hi bura aasar pada tha.

Europe ke jo desh World War I se pehle karj deti the. Aaj unki aalat aesi ho gayi the ki wo khud karj me dhuve hue the. World War I Europe mein bahut sahi samasyaon ko

lekar aaya tha. Khas karke Germany ke andar. 1923 mein Germany ke andar hyperinflation ho gaya tha. Matlab Germany mein kaafi zyada mehngai bad gayi the.

Mehngai itni zyada ho gayi the ki logon ko ek bread kharidne ke liye note ke bundle dene padte the. Ab aesa kyu hua tha? To aesa isliye hua tha kyuki Germany ne war ke liye karj liya tha. Aur ye karj itna zyada tha ki Germany usse baapus nahi kar pa rahi. Jis kaaran se Germany ka gold stock bhi khatam ho gaya.

Issi bhich France kya karta hai ki Germany mein ek jagah hua karti thi Ruhr usko occupied kar leta hai. Jiski wajah se resources ki supply mein bhaari girawat a jaati. Baise hi Germany kangal tha. Ruhr ke chhinj jaani ke baad wo aur bhi zyada kangal ho jata hai. To iss se bachne ke liye waha ki jo government thi wo andha dundh currency chhapna suru kar deti.

Jisse currency ki value giri jati hai aur cheezon ke daam aasman chhune lakhte hai. Currency ki over printing ki wajah se Germany ke logon ko choti se choti cheez kharidne ke liye note se bhare hue bore dene padde the. Aur issi situation ko hyperinflation bola gaya hai. Aur pata hai aisi kathan paristiti mein Germany ki madad kaun karta hai?

America karta hai. Matlab jo world war 1 mein Germany ka sabse bada dusman tha wo aaj Germany ki madad kar raha tha. USA ne Germany ki madad karne ke liye ek Davis plan banaya jiske tehad USA Germany ko choti choti lawn deta tha. Jisse Germany ki istidhi sudhar sake. Aur aesa ho bhi raha tha.

USA ki madad se Germany ki istidhi sudhar bhi rahi thi. Sabko sahi chal raha tha. Lekin 1929 me kya hota hai? USA ke andar aaja tha Great Economic Depression. Aur ye kyun aata hai? Kyuki USA ka Wall Street Taxing crash ho jaata hai. Ab jo thoda bha support mil raha tha Germany ko wo bhi band ho jaata hai.

Kyuki USA ki khud ki halat battar ho jaati hai. Great Economic Depression ke chalti USA ki National Income aadi ho jaati hai. Factories band ho jaati hai. Export ruk jaata hai. Logon ke paas paise nahi bachte hai. Matlab USA ki bhi buri halat ho jaati hai. USA ki to hoti hoti hai lekin iska aasar aur resu par bhi padta hai.

Agar hum Germany ki baat kare to Germany me Industrial Production 40% tak giri jaata hai. 6 Million log beruzgar ho jaate hai. Jiski wajah se criminal activities badh jaate hai. Log chori chakari aur loot paat pa utara aate hai. Kai sari logon ke business thap ho jaate hai. Kisanon ke faslon ke daam giri jaate hai.

Mahilaye apne bachon ke peth nahi paal paa rahi hoti hai. Ab logon ko ek hi day sata raha tha ki kahin bhi sadak par na aaja hai. Aur jo Government thi wo bhi inn situation

ka koi achcha solution nahi nikal pa rahi hai. Ab yaar aap khudi socho ki itna sab kuch hone ke baad bhi Janta Government ki respect karegi.

Nahi na. To jo thoda bhat bharusa tha logon ka Government ke prati Matlab Weimar Republic ke prati Wo bilkul hi khatam ho jaata hai. Pura biswas hi ut jaata hai logon ka Weimar Republic se. Aur yahin se rise hota hai Hitler ka. To chali hum Hitler ke baare me deep se padte hai. To Hitler ka jan 1889 me Austria me hua tha.

Usne apna bachpan bhot hi gareeb hi istiti me gujara tha. Hitler ne World War 1 me German Army ko join kar diya. Uske baad usne Army me bhot achcha kaam kiya. Infact usne kai saare medals bhi jeeti hai. But Hitler ko sabse jaayan dukh tab hota hai Jab Germany World War 1 haar jaati hai. Iske alaab jo Treaty of Versailles aati hai

Usse to Hitler aur bhi zyada furious ho jaata hai. Hitler Germany ke liye bhot kuch karna chahta tha. Isliye wo 1919 me ek political party ko join kar leta hai. Jiska naam tha German Workers Party. Dheere dheere Hitler party ka head wan jata hai. Aur phir wo us party ka naam badal deta hai.

Aur kar deta hai National Socialist German Workers Party. Aur yehi party baad me jaaka Nazi party kehla tha. Hitler aur uski party ka kaam karne ka alag hi style tha. Unke salute karne ka tarika bhi alag tha. Unka symbol alag tha. Kuch is tarika symbol tha Nazi party ka.

Ab hum baat krte hai ki Nazi party Germany ki politics me kaise aayi thi. Rise of Nazi party in German politics. To hota kya hai ki 1928 ke andar German Parliament ke andar election hote hai. Jisme Nazi party bhoti buri tarike se haarti hai. Usko matra 2.6% vote milte hai German Parliament ke andar.

Aisa hona normal se baat thi. Kyuki us samay par nahi log Hitler ko jaante the. Aur nahi Nazi party ko. But 1929 me situation kuch alag ho jati hai. 1929 me kya hota hai ki Great Economic Depression aata hai. Aur maine apko bataya bhi tha ki kya tha ye Great Economic Depression.

To iske chalte bohot saari log parisaan the. Aur isi baat ka fayda uthta tha Hitler. Hitler kya karta hai ki logon ko apni taraf attract karta hai. Aur logon se khta hai ki agar tum mujhe support karte ho. Aur vote karte ho election me. To main apki saari samasyaon khatam kar dunga. Is par karke kayi saari baade karta hai Hitler.

Aur baise bhi apko ek baat pata hogi. Ki Hitler bohota powerful speaker tha. Wo itna gazaap ka speaker tha. Ki wo apni baaton se logon ko bohota jaldi influence kar deta tha. Aur is cheech ka usse fayda bhi mila. Finally 1932 me Nazi party election jeet jati hai. Usse German Parliament ke andar 37% vote milte hai.

Jaise Nazi party majority me aaj aati hai. To Hitler ne aise kaun kaun se baade kiye the. Jinki wajah se Nazi party election jeet par. Chali dekhte hai. To Hitler ne logon se kaha tha ki agar me election jeetta ho. To me Germany ko ek strong nation banaunga. Second, Hitler ne kaha tha ki me Treaty of Brussels ke provisions ko hatwa dunga.

Third, me har ek individual ki dignity bapus dilaunga. Fourth, me Germany ke andar employment launga. Fifth, me foreign interference ko rukwa dunga. Matlab itne saare baade kar diye the Hitler ne. Aur inhi promises ki baje se Nazi party election jeet bai thi. Election jeetne ke baad Hitler ne kai saari release ki, public meetings ki.

Tha ki wo apna support gather kr ske. Dheere dheere Hitler ka support bdhta gaya. Aur Hitler power me aagaya. 13th January 1933 ko Germany ke President Hindenburg ne Hitler ko Germany ka Chancellor ghosit kar diya. Jaise Hitler ke aato me aur bhi zyada power aagayi.

Ab Hitler kya sochta hai ki kyu na democracy ko ata kar dictatorship set up ki jaye. Tabhi February 1933 me kya hota hai? German parliament ke andar aag lag jati. Aur isi baat ka fayda uthata hai Hitler. Iski baje se 28th February ko fire decree aati hai. Matlab hum kya sakte hai ki government ka ek order aata hai.

Jis decree ke tehad logon ke saari civic rights ko cheen liya jata hai. Jaise ki freedom to speech, phrase aur assembly. In sab ko suspend kar diya jata hai. Iske baad kya hota hai ki 3rd March 1933 ko Enabling Act pass hota hai. Aur jaise hi ji Enabling Act pass hua. To Germany ke andar se democracy hat jati hai.

Aur dictatorship set up ho jati hai. Aur yahi se Hitler ban jata hai dictator. Ab Hitler ke paas poori power thi. Wo jo chahe wo kar skte tha Germany ke andar. Dictator banne ke baad Hitler saari parties ko ban kar deta hai. Kibal eki party bachti hai jo ki thi Nazi party. Matlab Germany ek single party country ban chuka tha.

Ab destrukt jaisa ki humne dekha tha. Ki Hitler ne kai saari promises kiye the Germany ki economy ko theek karne ke liye. Aur wo unpr kaam bhi karta hai. Wo kya karta hai ki ek economist ko responsibility deta hai. Jiska naam tha Hermann Goerring. Hitler usse kehta hai ki jao aur Germany ki economic condition ko sudhar ho.

To iske liye Hermann Goerring 2 cheezon ko aim karta hai. Pehli full production aur doosri full employment. Kyuki agar production ko badhana hai. To iske liye logon ki jaroorat hogi. Jisse employment to apne aap hi badh jayega. Is project ke liye government fund deti thi. Aur isi project ki badola Germany ke andar super highways aur Volkswagen jaisi car aap aayi thi.

Hitler ne kai saari changes kiye foreign policies ke andar. Jaise ki 1933 me Hitler Germany ko withdraw kar leta hai League of Nations se. Rheinland jo ki chheen liya gaya tha Germany se. Usse baapus reoccupied kar liya. Hitler ne 1938 me Austria aur Germany ko ek kar diya.

By the slogan of one people, one empire and one leader. To doosto ye kuch changes the jo ki Hitler ne kiye the foreign policies ke andar. Iske baad Hitler choti choti jagahon ko kabjana suru kar deta hai. Jaise ki wo sabse pehle kabja karta hai Sudantan land pe. Ab doosto maine kuch time pehle ek economist ke baare me bataya tha.

Jo ki Germany ki economic condition ko sudarne me laga hua tha. Ji haan bilkul uska naam tha Zalma Sachet. To jo ye Zalma Sachet tha economist ke saath saath ek achha advisor bhi tha. To ye Hitler se kehta hai ki jaha tumhe des ki economy ko improve karne ke baare me sochna chahiye. Fahat hum doosre deson ke saath ladhai jagde me lage hua hai.

Tumhe jada pese karch nahi karne chahiye in sab cheezon me. Hitler ko ye baat pasand nahi aayi. Hitler ke mansubh ekdum clear the ki usko war hi ladna tha. Hitler ka manna ye tha ki main apni country me development kyu karu. Jabki main kisi aur developed country me kabja kar sakta hu. Zalma Sachet ko Hitler ki ye baate pasand nahi aayi.

Isliye wo Hitler ka support chod deta hai aur wahan se chala jaata hai. Aur jo Hitler hota hai wo economic crisis ko overcome karne ke liye war ladna suru kar deta hai. On 1st September 1939 Germany Poland pe hamla kar deti hai. Aur saath me uspe kabja bhi kar reti hai. Ye dekhkar France aur England ko achcha nahi laga.

Aur pe saath mil jaate hai. Aur ye hi se Germany ke saath jang chhid jate hai. Aur ye hi se start ho jaata hai 2nd World War. Phir September 1914 me tripetite pact sign hota hai. Jisme 2 countries world war ladni ke liye Germany ke saath a jaate hai. Aur wo countries thi Italy aur Japan.

Matlab ek taraf ho gaye thi France aur England. Aur doosri taraf thi Germany, Italy aur Japan. Ab dosto main aapko diagram ke through samjata hu. Ki exactly kya hua tha World War 2nd ke andar. Jaise maal lo ye Germany hai. Ye England hai. Aur ye Soviet Union hai. Matlab Russia hai. Ab dosto hota kya hai.

Ki June 1941 me Hitler Soviet Union pr attack kar deta hai. Ye Hitler ka bauti bura decision tha. Kyon tha? Kyuki ab Germany western border pr British Bombing ko jil raha tha. Aur idhar eastern border pr Soviet Army ko. To jo ye Soviet Army hoti hai. Wo German Army ko Stalingrad pr bauti buri tarike seh raha tha.

Wahin doosri ho jo USA tha. Wo World War 2nd ladna nahi chah raha tha. Kyuki jo economic crisis World War 1st ke kaaran. USA ko bhugatne padhe the. Wo unhe dhorana nahi chah raha tha. Isliye USA World War 2nd se door hi rehna chah raha tha. Mat USA apne aapko rog nahi paata hai. Kyon? Kyuki jo Japan hota hai.

Wo east ki taraf continuously apni power expand krta chala jaa raha tha. Usne Indo-China pr bhi kabja kar liya tha. Yaha tak sab theek tha. Ekn hota kya hai ki Japan USA ke ek naval base pr attack kar deta hai. Jiska naam tha Pearl Harbor. Is baat se USA ko gussa aaja tha. Aur USA 8 December 1941 ko na chhati bhi bhi war me entry maar deta hai.

Aur USA ki entry ke sath hi World War 2nd khatam ho jata hai. Kyuki ek baat to hum sabhi log jaanti hai. Ki USA aaj bhi bahut sakti saali hai. Aur pehle bhi bahut sakti saali tha. World War 2nd May 1945 me do cheezon ke sath khatam hota hai. Pehli Germany ki haar ke sath. Aur doosri Hiroshima par atomic bomb blast ke sath.

To dosto jitni bhi tabahi machi thi. Uska sabse bada kaaran tha Hitler. World War 2nd ka kaaran bhi Hitler hi tha. Aur uski wajah se jo lakhon masoon logon ki jaane gayi thi. Uska kaaran bhi Hitler hi tha. Hitler ne sab kuch kho diya tha. Logon ka bharosa, apni power, apna desh.

Isliye wo Berlin ke ek bunker me apni paribar ke sath suicide kar leta hai. Aur unke sath unke propaganda minister ho gobels bhi suicide kar lete hai. Aur doosro chapter ki starting me maine aapko ek story sunayi thi. Isme Helmut ke papa suicide kar lete hai. To wo suicide isliye karte hai kyuki wo bhi Nazi party ke supporter thi.

Matlab Hitler ke supporter thi. May 1945 tak Germany surrender kar leti hai. Aur allies power jeet jaati hai. Iske baad Nuremberg Germany me ek international military tribunal establish hota hai. Matlab ek tarikiya court establish hota hai. Isme allied powers, jaise ki France, UK, USA,

aur Soviet Union, matlab jo bhi jeete huye desh the, wo war criminals ko saja de rahe the. Aur war criminals kaun the? Jo Nazi party ke log the. Matlab jo Hitler ke supporter the. Nazi party ke logon ne kayi sari crime kiye the. Jaise ki crime against peace, war crime,

aur jo sabse bura wala jo crime kiya the, wo tha crime against humanity. Matlab inhone lakhon maasum logon par atyachar kiya the. Atyachar to chhodo, inhone to unhe maari diya the. Nazi party ke logon ne World War 2 ki aad me 6 million jews ko maara tha. 2 lakh gypsies ko maara tha.

1 lakh police civilians ko maara tha. Aur 17,000 Germans ko maara tha, jo ki physically aur mentally disabled the. To iske liye jo international military tribunal tha, usne kewal 11 logon ko hi maud ki saja sunayi. Baaki sabhi logon ko ombre ke ki saja sunayi the. Inhone jaisa logon ke saath kiya tha,

uske comparison me the, saja inke liye bhoti jyada kam the. Now we talk about Nazi ideology. Matlab Nazi logon ki ideology kaisi the. Isko hum Hitler ki ideology bhi kai sakte hai, kyuki Nazi log the to Hitler ki supporter. To jo Nazi log the, unhone society ke andar racial segregation karke rakha tha.

Matlab kaafi zyada bedwa karte the logon ke beech me. Germany ke andar top priority, aise logon ko di jati the, jinki blue eyes hoti the, aur blonde hair hoti the. Aise logon ko Germany me Nordic Aryan bola jata tha. Matlab inka level of impotence zyada hota tha, auron ke comparison me.

Aisa Nazis maand the the. Aur agar hum baat karein sabse lower logon ki, to wo the Jewish. Jewish logon ko Germany ke andar weak maana jata tha, aur nai Jewish logon ko koi impotence diya jata tha. Aur duste Hitler aur Nazi logon ko bhi, sabse zyada nafrat Jewish logon se hi the. To aisa kyu tha, iske kai saare karan the.

Pehla karan ye tha, ki Jewish logon ko Jesus Christ ka killer maana jata tha. Dusra reason ye bhi maana jata tha, ki Jewish logon, other German logon ko zyada interest par loan dete the. Aur jo Hitler tha, wo personally bhi hate karta tha Jewish logon ko. Isliye Nazi logon ne, Jewish logon ko boycott karna suru kardiya.

Nazi logon ne unke synagogies ko jala diya, matlab jahan par wo pooja karte the, wo ne saanon ko jala diya. Government job se Jewish logon ko nikal diya gaya, aur unke gharon tak ko bhi jala diya gaya. Aur dheere dheere Hitler ne unko maarna suru kardiya. Hitler kaafi zyada mass killing karta tha,

matlab ek baar main kai saare Jewish logon ko maar deta tha. Aur tumhe pata hai, Hitler logon se kya kata tha, ki main mass killing nahi karna hoon, main logon ko special treatment dera hoon. Ab wo aisa kyun kata tha, kyuki Hitler ka maana ye tha, ki agar hume bauti achchi society chahiye, aur healthy society chahiye,

to hume is tarike ke undesirable logon ko maar dena chahiye. Aisa Hitler ka maana tha. Aur tumhe pata hai, Hitler ka jo maarne ka tarika tha, wo alagi prakaar ka tha. Wo bauti bhiyaanak tarike se maarta tha logon ko. Wo kya karta tha ki logon ko ek gas chamber main band kar deta tha, fir unpe jairili gase chhod kar unko maar deta tha.

Hitler Jewish logon ko force karta tha ghettos main rehne ke liye. Matlab ek aisa elake main rehne ke liye, jahaan pa kaafi zyada gandhki rehti thi, kichad rehta tha, bimariya

phelti thi, log mar rehti hai wahaan par. Matlab kaafi zyada infected area tha. Aisa area main Hitler force kar raha tha Jewish logon ko rehne ke liye.

Aur jo uski baat nahi maanta tha, usse gas chamber main special treatment diya jata tha. Ab dosto jo Hitler tha, wo bachon ko bhi target karta tha. Kyuki usse pata tha ki bachon future hai is country ka. Aur Hitler ye baat bhi jaanta tha, ki bachon kisi bhi cheez ko jaldi adopt kar lete hai as compare to other. Kyuki aap khudi socho ki bachon ko agar bachpan se ye hi sikhaya jaayega,

ki Hitler tumhara bhagwan hai, tumhe unki pooja karni chahiye. To obvious hi baat hai ki wo bade hokar bhi Hitler ko bhagwan hi maanega. To iske liye Hitler sare schoolon se Jewish teachers ko adba deta hai, aur bachon ko bhi segregate kar deta hai, jisme Jewish ko alag kar diya jata hai, wo Germans ko alag kar diya jata hai. Aur Jewish na hi Germans ke sath khel sakte the,

aur na hi saath me bed sakte the. Aur baad me Jewish kids ko schoolon se bahar bhi kar deta hai. Aur sabse important baat, Hitler kya karta hai ki schoolon ki kitab hi badal ba deta hai. Un kitabon keval Nazi ideology hi bhari padhi thi, jisse bhi bachon ko Nazi ideology sikha seke. Ab schoolon me ye hi sbh sikhaya jaa raha tha ki Jewish ko hate karo,

Hitler aur Nazi party ko support karo, salute karo unko, aur amse loyal raho unke prati. Is tare ki baat hi schoolon sikhaya jaa rahe laga. Iske alaba Hitler kai saari youth organisation bhi chalata tha, jisse wo kids ke alaba youth ko bhi target kar sake. Ab Hitler target kaise karta tha, dekho.

To jo bache 10 se leke 14 saal ki umar ke hote the, unhe Jungbog me bhardhi kar diya jata tha. Jungbog basically Hitler ka hi ek organisation tha, jahaan par bachon ko ideological aur physical training di jati thi. After a Jungbog jaise hi wo bache 14 saal ka ho jata tha, usse ek aur organisation ko join karna padhta tha,

jiska naam tha Nazi Youth Organisation. Aur ye jo organisation thi wo 1922 me banayi gayi thi. Is organisation ko Hitler Youth bhi bola jata tha. Isme bhi wahi sab sikhaya jata tha jo Hitler chahata tha. Jaise ki jewish se navrat karo, undesirable logon se door raho, war aur violence karna sahi hai,

Hitler ki pooja karo, aur amse Hitler ke prati loyal raho, is tare ki cheezin sikhaya jati thi. Aur phir jaise hi wo bache 18 saal ka ho jata tha, to usse labor services me bhej diya jata tha.
